

COLD CLIMATE HOUSING RESEARCH CENTER

CCHRC

Home Energy Workshop

WHEN

Wednesday, September 27
Presentations 6-9 p.m.
Doors open 5:30 pm

WHERE

Cold Climate Housing Research Center
1000 Fairbanks Street
Fairbanks, Alaska

WHAT

Presentations + Discussion + Q&A

Electricity

Lighting Retrofits

Building Envelopes

Heating & Ventilation

Simultaneous sessions start at 6p.m. and repeat at 7 and 8 p.m. Sessions feature a 30 minute presentation on how to save money and make your home more comfortable, followed by 30 minutes for individual Q&A with experts on each topic. Attend up to 3 sessions in the same evening and leave with a well-rounded plan to increase your home's energy efficiency.
